

UCLA Food Studies Minor

The Marcie Rothman Centennial Scholars Undergraduate Scholarship

Application Form

The Marcie Rothman Centennial Scholars Undergraduate Scholarship was established to support students in the Food Studies minor with their academic and research endeavors at UCLA. The recipient(s) must be enrolled in the undergraduate Food Studies minor and demonstrate financial need and/or merit. This scholarship is awarded annually to one or more Food Studies minors. It aims to foster the enrichment and reach of Food Studies as an area of interdisciplinary study, including research and practice related to cultural dimensions of food systems and culinary traditions, public health, nutrition, sustainability, ecology, food activism, and social and environmental justice.

To be eligible for the scholarship, a student must:

1. Be in good academic standing, and;
2. Be admitted to the UCLA Food Studies minor.

If you wish to be considered for the scholarship, please fill out the application below and email it along with your scholarship statement, résumé, and a copy of your unofficial transcript (as a single PDF file) to [the Marcie Rothman Scholarship Committee](#). All required application materials must be submitted by **Tuesday, November 12, 2019 at 11:59 PM**. Late and/or incomplete applications will not be considered.

Applicant Information

First

9-digit UID:

Email Address:

Major(s):

Minor(s):

Are you eligible
to receive

☐ Yes

☐ No

List any minor courses that you have completed or have in progress:
(e.g. ENVIRON 25, SOC GEN 134, COM HLT 48)

Financial Aid?

Scholarship Statement

In 500 words or less, please answer the following questions below:

- Describe a concrete vision for how you would implement your vision in your academic community and professional work at and beyond UCLA. How will this vision contribute to the Food Studies field and/or help support food justice, sustainability, and community health?
- What is your vision for how you would like to implement the knowledge and tools learned in the Food Studies Minor in your academic work at/beyond UCLA and in your professional path? In addition, how will your vision assist in the development of the Food Studies field and/or in cultivating a healthier, more sustainable and equitable world?

Résumé

Submit a current résumé—please be sure to highlight any community service and/or volunteer experiences.
