

UPDATE TO THE DISABILITY STUDIES MINOR REQUIREMENTS FOR SPRING 2020 TO SUMMER 2022

The Chair of UCLA Disability Studies and the UCLA Faculty Executive Committee have approved the request to allow minor requirements to be satisfied with a Pass or Letter Grade. This only applies to courses completed in spring 2020, the 2020-21 academic year including summer 21, and the 2021-22 academic year including summer 22.

For students who elect to complete a course for Pass/No Pass (P/NP), they will satisfy the minor requirement so long as they earn a “Pass”, which is a minimum C grade. Please note that satisfactory completion of the minor does require a minimum 3.0 minor GPA. For more information and restrictions about the Pass/No Pass Grading Option.
